DECORATIVE LAMINATES

ALL FOR ONE + ONE FOR ALL.

Every Surface,
One Complete Collection.

ABOUT US

Levin Decorative Laminates was founded on the belief that every surface deserves thoughtful design. We create premium laminates that help architects, designers, and homeowners shape interiors with elegance, character, and purpose.

Our collections combine authentic textures, refined finishes, and dependable durability. Every surface is crafted with precision to deliver lasting performance while maintaining timeless visual appeal.

Today, Levin continues to create laminates that define spaces with quiet sophistication. Designed to inspire and built to endure, our surfaces leave a lasting impression in every interior.

Today, Levin stands for spaces that are defined with intention. We continue to create surfaces that speak quietly but leave a lasting impression on every room they shape.

WHY LEVIN?

Because a room deserves more than a background — it deserves identity, and we build finishes that hold their edge in style, strength, and time.

MISSION

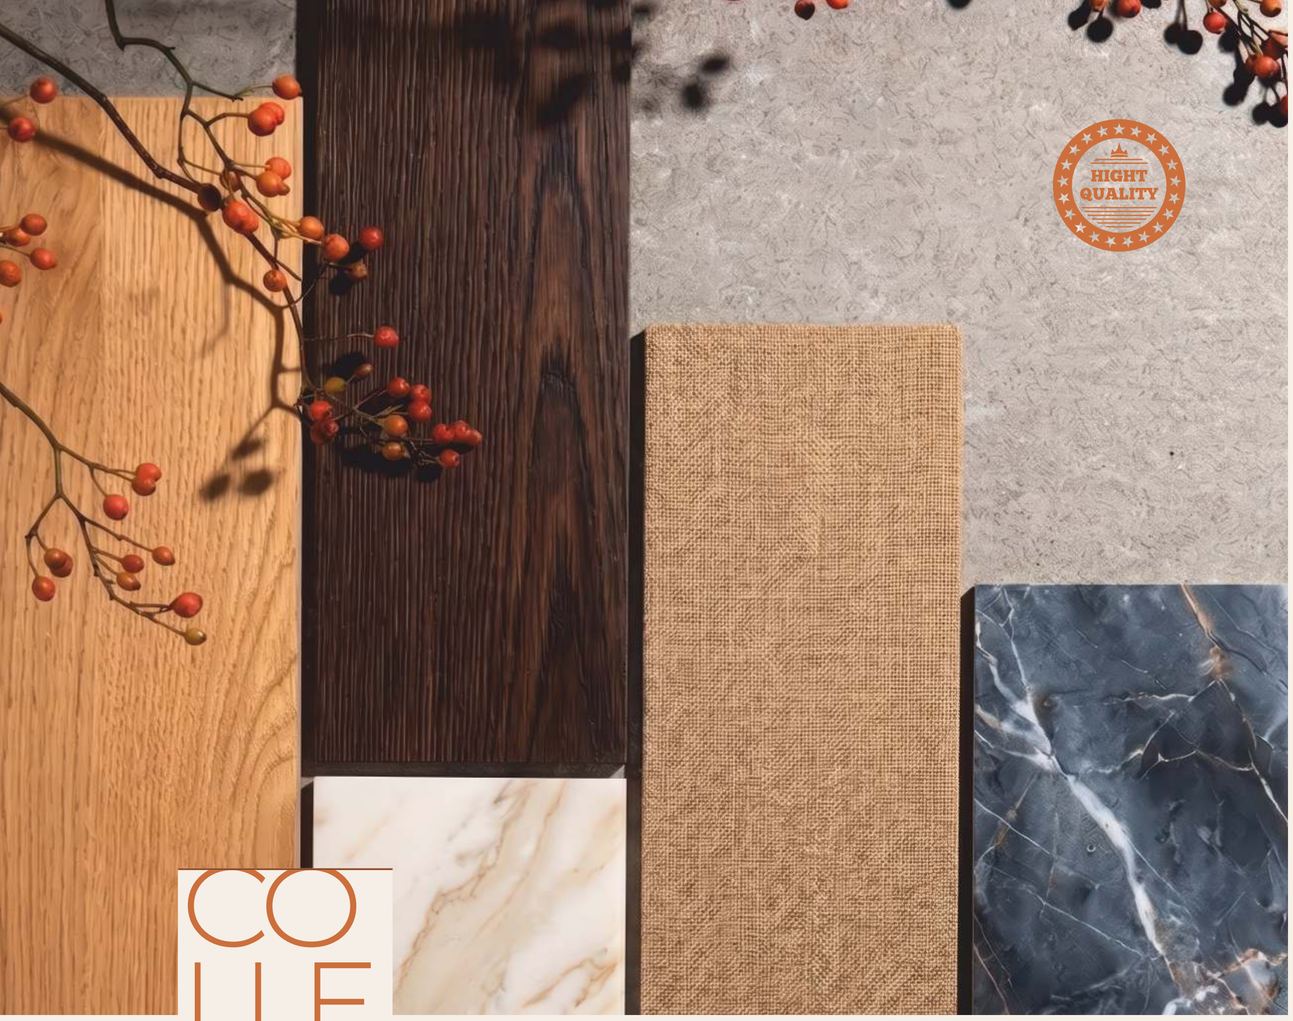

To craft surfaces that carry lasting character into every space they touch, delivering design integrity through precision, consistency, and enduring quality.

VISION

To be the surface of choice for spaces built with intention, leading decorative design forward, one considered finish at a time.

MOTTO

Defined by design. Trusted by touch. Every surface, a standard. Chosen for character that lasts. Built for spaces that mean to stay.

COLLECTION

Every piece in this collection is shaped by a shared design philosophy — surfaces that bring depth, character, and quiet confidence into any space. Each finish is developed with careful attention to grain, tone, and texture, ensuring consistency across every application. Together, they offer a versatile range built to define interiors with lasting style.

levin Pro DECORATIVE LAMINATES | Le MORE Pro LAMINATES | elite Pro | VELVET Pro TAILORED SMOOTH ELEGANCE

TECHNICAL FEATURES

Engineered for lasting performance, every surface combines durability with design precision. Built to resist wear, moisture, and heat, it holds its character through everyday use.

- ANTI-BACTERIAL LAMINATES
- HI-FLEXIBILITY LAMINATES
- ALL-WEATHER RESISTANT
- HEAT RESISTANT
- STAIN RESISTANT
- EASY TO CLEAN
- SCRATCH RESISTANT
- LONG LASTING
- TERMITE RESISTANT
- ZERO EMISSION

DIGITAL WORLD

GET THE FULL SHEET VIEW

As the world moves deeper into digital experience, design identity must speak fluently across every platform, not just physical space. Levin embraces this shift, translating its precision, character, and craft into a digital-first language that stays consistent wherever it's encountered.

DECORATIVE LAMINATES

Properties	Specified values as per IS:2046-1995 Type S, HGS	Levin Pro Conforms	Specified Values as per IS:2046-1995 Type S, HGS	Levin Pro Conforms
Thickness	1. mm (±10%)	√	1.50mm (±10%)	
Resistance to Surface Wear	350 (revolutions)	√	350 (revolutions)	√
Resistance to immersion in boilling water - Mass increase (%) - Thickness increase (%) - Appearance	10.0 (Maximum) 11.8 (Maximum) Not worse than 4	√	7.5 (Maximum) 8.5 (Maximum) Not worse than 4	√
Resistance to dry heat 180°c	Not worse than 4	√	Not worse than 4	
Dimensional stability at deviated temperature - Longitudinal (%) Transverse (%)	 0.55 (Maximum) 1.025 (Maximum)	√	 0.44 (Maximum) 0.86 (Maximum)	√
Dimensional stability at 20°c - Longitudinal (%) Transverse (%)	 0.375 (Maximum) 0.60 (Maximum)	√		√
Resistance to impact by small diameter bell	20N (Minimum)	√	20N (Minimum)	
Resistance to Cracking	Not worse than 4	√	Not worse than 4	√
Resistance to Scratching	2N (Minimum)	√	2N (Minimum)	√
Resistance to Staining	Not worse than 5	√	Not worse than 5	√
Resistance to colour change (woolstandards) - In xenon arc light - In enclosed carbon arc light	 Not worse than 6 Not worse than 5	√	 Not worse than 6 Not worse than 5	√
Resistance to cigarette burns	Not worse than 3	√	Not worse than 3	√
Resistance to steam	Not worse than 4	√	Not worse than 4	√
Appearance	Should be free from foreign particles	√	Should be free from foreign particles	√

Protect the surface from heat generating appliances

Avoid using sharp objects directly on the surface

Use mild soap or detergent to clean the surface with the help of damp cloth or sponge.

Avoid acidic or abrasive liquid cleaners

Spilling of any type of dyes may cause permanent stains. Please wipe it immediately with dish washing detergent or an all-purpose cleaner

Do not use steel wool and abrasive pads for cleaning

Avoid toilet cleaners as it contains harsh chemicals as it may lead to permanent damage to surface. In case of spilling please immediately wipe the surface with soapy water and rinse several times.

In case of persistent stains use paste of baking soda & water. Lightly scrub the area for 10-20 strokes with the use of soft bristled brush. Avoid excessive scrubbing as it may lead to the damage of decorative surface especially if it has gloss finish.

Grades : General

Types : Standard, post forming, compact, cabinet liners, backer

Size : 2440 mm x 1220 mm [8'x4']

Thicknesses : 1. mm [other thickness available on request]

LEVIN PRO Highlight : 100% Quality design paper from world best decorative paper manufacturer. We are using best quality kraft paper, 100 % melamine resin and 100 % phenolic resin. Use of best chemical raw materials for better flexibility & durability. PP warping film for surface protection till completion of furnishing work for P.G.

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

Disclaimer : Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of colour, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Information and samples for special cabinet liners, phenolic boards, special purposes compact laminates and post forming laminates are available on requset.

Limited Warranty : LEVIN warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care, improper use and/or any alteration. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only.

We take care of your laminates by enhancing their look and feel! Thank you for looking at the Levin Pro products...We are proud to be chosen by you...

Please have a look at simple care and maintenance procedures to keep laminates looking good and to provide quality performance for years.

LIMITED WARRANTY

BE CAUTIOUS ON AIR BUBBLES
While pasting the laminate sheets vertically, litt extra care is appreciated. If not pressed uniformly, air bubbles possibly can appear.

CUT ANGLE OF 90° ON LAMINATES CAN CAUSE CRACKS, NO CLAIMS WILL BE ENTERTAINED IF DONE SO
When cut with L shape and at 90° angle, one of the two edges might get an elongated cut. Such corners are prone to cracks. Avoid improper bonding and improper weather conditions to prevent cracking.
